

## Avatar

Students can personalise their avatar and use their credits to purchase accessories. Credits are awarded throughout Spellodrome for student improvement.

## Spellometer

Students can track their progress in Spellodrome with daily and weekly points. Students who earn 1000 or more points per week are awarded a certificate.

## My Word List

In this area, word lists are brought to life. Students can use the Look, Cover, Write and Check method to practise their word lists with Word Training.

## Gamified Learning

**Spellodrome includes an exciting range of activities and challenges**, powered by set word lists, such as Word Detective, Words in Pieces, Word List Workout, Crosswords and **Live Spellodrome**. Students can feel confident in a low risk competitive environment while improving spelling skills.

## Live Spellodrome

Real-time race challenges where students are matched and compete with students all around the world.

## Writing Fun

Writing Fun contains writing samples and explanations of different text types. Students can create their own writing samples with this fantastic tool.

## Millennium Gallery

The Millennium Gallery displays all of the awards and certificates students have earned in Spellodrome.

## My Scorecard

My Scorecard is the reporting area, showing student achievement in all different areas of Spellodrome.

## Switch to Mathletics

For students who also have a Mathletics subscription, this button seamlessly switches between programs.

## My Results

Students can check all the words they have answered correctly and incorrectly.
