|              |  |       |           |     |  |
|--------------|--|-------|-----------|-----|--|
| School Name  |  |       |           |     |  |
| Address      |  |       |           |     |  |
| City         |  | State |           | Zip |  |
| Contact Name |  |       | Position  |     |  |
| Signature    |  |       |           |     |  |
| Email        |  |       | Telephone |     |  |

As a part of this access, 3P Learning will provide:

**Free Implementation Support:** We will provide your teachers with unlimited telephone and web based support and training.

**Free Technical Support:** We will work with your network administrator to help ensure that IntoScience runs seamlessly on your network.

**Free Continual Upgrades:** As IntoScience is web-based, you will always be using the most recent version of the program.
