

Spellodrome

Making spelling as simple
as ABC...

Spellodrome is an international digital learning resource designed by educators that encourages independent learning and the development of critical spelling awareness. Let's take a tour.

Australian
Curriculum
ready

Enter an exciting new world of spelling...

An engaging array of activities, games and challenges – all powered by your own word lists. Bring those classroom spelling lists to a whole new dimension!

Designed by educators, Spellodrome encourages independent learning and the development of critical spelling awareness. Visual, Phonological, Morphemic and Etymological – we've got the Australian Curriculum covered.

Spellodrome provides a safe and engaging online world of learning for students.

Rewards and certificates keep students motivated, with a wide range of spelling games based on a teacher-assigned custom word list.

Accessible via desktop and tablet.

“With the help of Spellodrome we have seen a lot of our students jump up dramatically in their spelling ages. In some cases we have seen students move up 3 or 4 years!”

Spellodrome Teacher

Making spelling as simple as ABC....

It's fast, it's furious....

Introducing new LIVE Spellodrome! A real-time race challenge where students are matched and compete with friends in their school, or in classrooms on the other side of the world!

Hugely popular, Live Spellodrome harnesses the power of the internet to increase students' confidence in spelling, as well as speed of mental spelling strategy.

Visual Literacy. Covered.

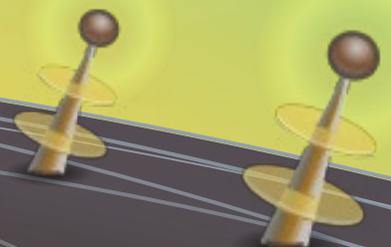

Visual Literacy is now an important element in the instruction of English to students of all ages, so Spellodrome has expanded to help.

A range of exclusive visual literacy resources have been developed in association with authors, illustrators and media providers. They are ready and waiting to support discussion, critical thinking and the development of verbal and written literacy skills in your classroom.

Reducing teacher workload...

Spellodrome is not just a powerful learning resource for students. We're passionate about teachers too. That's why we created the Teacher Console. We believe teachers should be empowered to teach.

Bring your classroom word lists to life. Create your own spelling programs with drag and drop word lists. Over 10,000 words are available to choose from.

Create learning groups with ease - differentiation is now as simple as drag and drop.

Track your students' progress and improvement with access to real-time data and live results reporting,

Instantly assign students spelling and reading age tests

Explore for free.

We love learning. That's why we offer every school a 14-day trial. Our team is eager to learn about your objectives and show you a number of strategies using Spellodrome to achieve them.

Visit www.spellodrome.com for a free trial.
